- **MAJOR CLASSES OF MEMBERSHIP:** There are two types of National Swine Registry membership: Senior Life Membership and Junior Membership. Within each of these classes there shall be active and inactive status for members.
- **SENIOR LIFE MEMBERSHIP:** You are encouraged to join the individual breed association if you are interested in breeding purebred Yorkshire, Hampshire, Duroc or Landrace swine. A Senior member must be over 21 years of age and a resident of the United States (or a corporation incorporated under United States law). The Senior Life Membership fee is \$10. This fee is paid only one time and should accompany the application for membership.
- **JUNIOR MEMBERSHIP:** Activities for youth are a growing part of the National Swine Registry program. To encourage junior activity, junior memberships are available, at no charge, to all breeders 21 years of age or under as of Jan. 1 of current year. Junior memberships are issued only in the name of an individual person. Junior memberships register and transfer under the same conditions as Senior Life Members.
- **ACTIVE STATUS:** To be an active Senior Life Member an annual maintenance fee (annual dues) of \$75 per breed is due and payable on Jan. 1, for Yorkshire, Hampshire, Duroc and Landrace of each year. With this \$75 annual maintenance fee, the member will automatically receive a *Seedstock EDGE* subscription. *NOTE: "First Year" Senior Life Membership fees are \$85; \$10 for the lifetime membership fee and \$75 for the first year's maintenance fee. After the first fiscal year, a maintenance fee of \$75 per breed is all that is required.* The second criterion for active status membership is to record breeding stock at least one litter during the previous fiscal year.
